

We are going to the zoo

We were there last year.

We are going to take the bus.

The are big and small animals there.

If you were me what would you want to see?

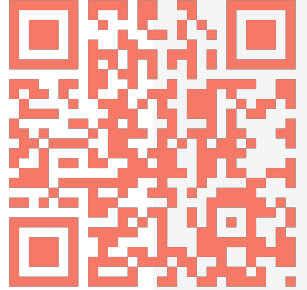

There are penguins at the zoo.

They are silly and fun to watch.

There are penguins who live where it is hot and dry.

There are penguins where it is cold and wet.

If you were a penguin where would you live?

- 1 Cut out the 2 onset a w cards and 14 word cards.
- 2 Sort the word cards by the first letter: a w.
