

Good Morning, Mother

Mother said "Get out of bed"

I said I want to sleep. She shook her head. "You can not go back to sleep. It's time to eat some breakfast."

The dog needs water and food, too. Make your bed and clean your room.

Here is your back pack. There will be a snack to eat.

Our house is near school. Mother, Father and sister live in my home.

We eat dinner every night.
