

The sun goes down

Look how the sky is red now.

Down in the town people look up.

See how the stars come out!

Now we can wish on a star.

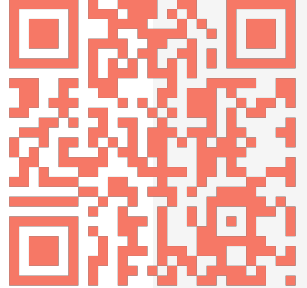

Oh look! A falling star comes down!

How far from town is the star?

Now it is night.

Lights go on when the sun goes down.

Now I put my head down and go to sleep.

- 1 Cut out the 4 onset d h n t cards and 28 word cards.
- 2 Sort the word cards by the first letter: d h n t.

d	h	n	t
down	how	now	town
did	home	nose	tomorrow
don't	heard	north	ten
didn't	hear	number	thank
dog	hand	nothing	toward
duck	happened	knew	top
done	horse	night	today
