

## You only turn one once

One year went by fast.

Once upon a time I was a very little.

Once I could crawl I was on the move.

Once I could pull up I wanted to climb.

Once I could walk I wanted to run.

One day I will kick a ball.

One day I will go to school.

One day I will read.

One day I will do big things!

1 Circle the words below that rhyme with one.

### rhymes with one
